**On Monday 2nd November & Tuesday 3rd November our school will be holding a Colour Fun Run as a school fundraising activity.**

All students will be participating and running laps around the oval. Each time they pass the starting point another colour will be squirted on them. Reception to Year 1 will get squirted with two colours each time. As it is a fun run and not a race, we will schedule class groups to run at the same time.

**What to wear/bring:**

- Old and light coloured clothes
- Old Sunglasses
- Old towel (to clean arms, legs and face afterwards)
- Plastic bag for change of clothes
- A bandana or mask (optional)

**The coloured powder** is a non-toxic gluten free cornstarch (98%) with colour (2%). It is bio-degradable and environmentally safe. The powder will be thrown by teachers/volunteers, and the torso and legs will be targeted. As with any dust, if your child has respiratory issues, it is recommended they wear a bandana when running through the colour point or run through the designated by-pass section.
Students may protect their eyes by wearing sunglasses.

**Parents / Spectators:** Due to COVID-19, parents and spectators will need to remain outside of the school grounds and may wish to watch from Hay Road.

**Fundraising Prizes:**
***For each year level:** The highest fundraising class will receive a pizza lunch.
***For the whole school**: The class that raises the most money in the school, will either go to Bounce/Latitude/Treeclimb (class vote to decide).
***Each class** will receive a participation certificate which also includes how much money they have raised.
As this is a Fun Run and not a race, there will not be any individual prizes.

### Tips for safe ways to seek donations:

We ask that students do not seek donations from strangers or by going door to door. Instead; Ask relatives (parents, uncles/aunts, grandparents). Ask relatives to seek donations from their work and from friends.
With parental permission, phone or visit friends and neighbours you know.
